Resolutions of Hollywood Memorial

The committee-Mesdames Albert Bru and C. T. O'Ferrall-appointed by the Hollywood-Memorial Association to draft resolutions concerning the death of Miss Davis, have submitted the following: Resolved. That this association has heard with the deepest sorrow of the death of Miss Winnie Davis, which occurred on Sunday last at Nafragansett

Resolved, That in her death the daugh-ters of the South have lost one whose name was ever an inspiration to them and tended to preserve in their recollection the heroism and fidelity of the Con-federacy's beloved President, her illustrious father. Resolved, That by her devotion to the

memories of the "Lost Cause," by her loyalty to her people, by her pure and beautiful life, and by her constant discharge of filial duty, she drew to berself the affection and admiration of the sons and daughters of our entire Southland. Resolved, That in the nobility and softis of her character she has set an example which will shine in southern homes and be pointed to with pride by southern matron and maiden, and that the youth of this and future generations shall be taught the story of her heroic life, as ful-

filling the southern ideal of true woman-Resolved, That this association will cherish her memory, and that as a fur-ther evidence of love and affection, each member will wear a badge of mourning termaster-General Lee for water-pollers.

Resolved. That the members of this as- and after he had repeatedly urged Quarsociation appreciate fully and gratsfully the motives which prompted the selection of Hollywood as the last resting-place of "the Daughter of the Confederacy." Weather That May Be Expected.

The weather indications for this locality point to rain to-day, followed by a warm spell. The conditions prevailing yesterday in different parts of the United States are stated officially as follows:

The high barometer pressure which was central over the Lake region has moved eastward, increasing in energy, and is now on the New England and Northern Middle Atlantic coasts. The storm area which was on the west Guif has moved northward, and is central this morning over Southern Tennessee. It has also increased in energy and is causing cloudiness and rain over the Southern States.

The temperature has fallen over the
